Ambition & Opportunity

09 December 2016

Dear Parent/Carer

Year 9 Subject Teacher & Parents' Evening – Thursday 26 January 2017

All Year 9 students will soon begin the important process of choosing option subjects for Key Stage 4 studies.

An evening of teacher meetings is being arranged for Year 9 parents where you will have the opportunity to meet with all core subject teachers. Core subjects are English, French, Mathematics and Science.

Teachers of non-core subjects will unfortunately be unable to meet with every parent due to time constraints. You can however request to meet with up to **3** non-core teachers, please see the attached choices.

At these meetings, subject teachers will provide you with subject-specific feedback, as well as the latest assessments and progress measures for your child.

Your appointments will be approximately 5 minutes each and will be set up for you by our administration team at school. To help us arrange these appointments, please indicate a preferred time slot from the choices attached. To assist us with the scheduling of all appointments you are asked to return your completed choices no later than 16 January 2017.

Please do not hesitate to contact the school if you require further information.

Thank you for your continued support.

Yours faithfully,

Mr D Roworth
Headteacher
