# My Best Work

At Haute Vallee School we are committed to raising standards of literacy across the curriculum. We would like all Year 7 to bring your best piece of work from primary to school on your first day. You should select this yourself and can be on any topic that you studied in Year 6. You may choose a piece of work where you have achieved your Target Level or above on a literacy related task, used a wide range of vocabulary, used a new text type successfully eg persuasive writing or were very accurate with your spelling, grammar and punctuation.

Your form tutor will collect this work and it will be kept in your 'Learning Journey'. You should be able to explain why you are proud of this particular piece of work and explain its strengths.

We hope that this piece of work will act as a benchmark by which the literacy quality of your Year 7 work can be measured. We hope you will gain a sense of satisfaction when you compare your best Year 7 work with what you did in Year 6.

We look forward to seeing your best work!

## Transition Tasks

Try out the following challenges and tick them off when you have completed them.

Try out an after school club

Make friends with someone new

Learn the names of 3 of your new teachers

Tell someone at home about your first day

Visit the school website

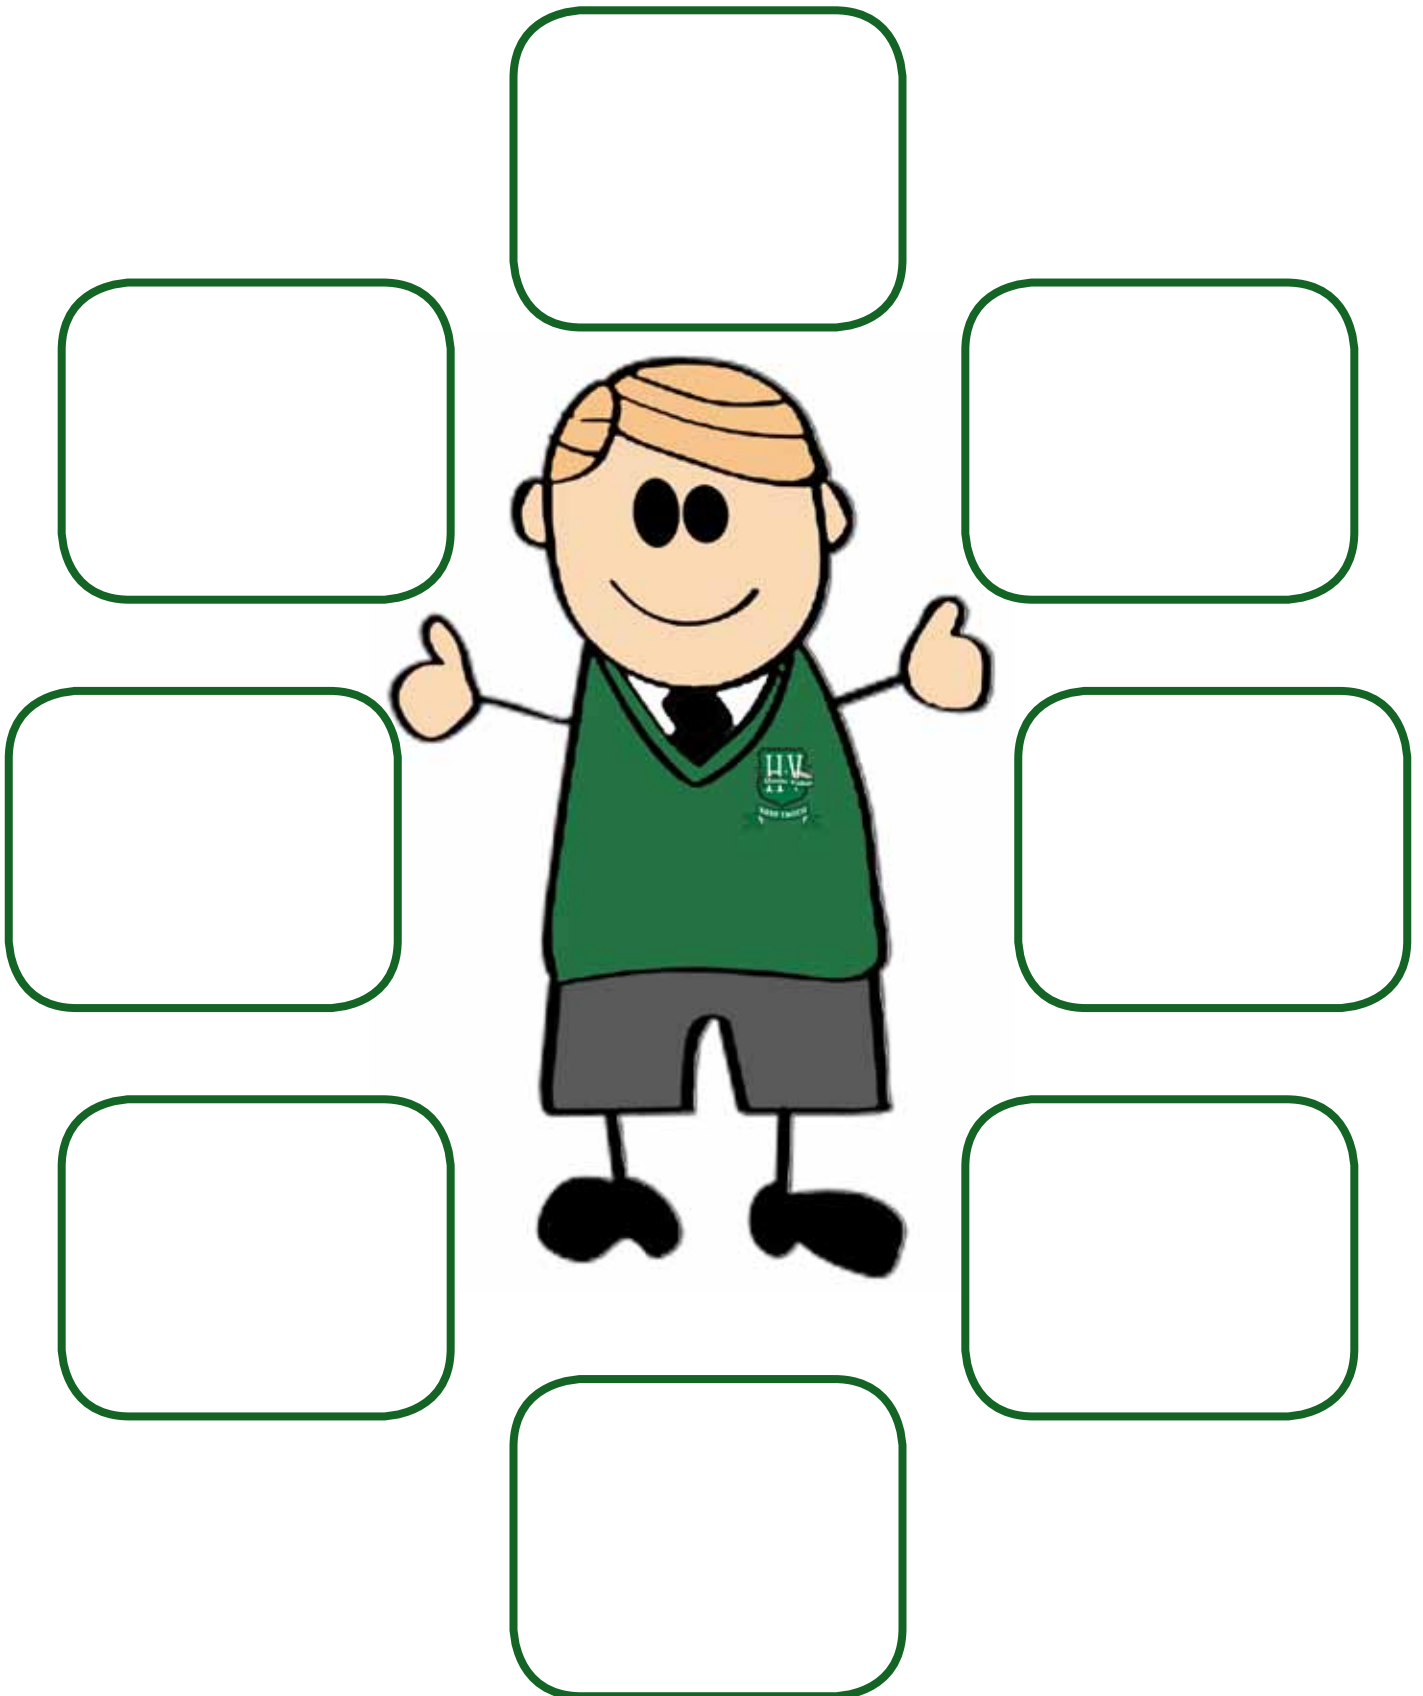

Complete a piece of Homework

Borrow a book from the Library

Get your Locker keys

# I am ...

Create a mind map to tell us more about your personality  
for example: kind, friendly...

# Getting Around

Tick the boxes once you discover the places below

Make a note of how you found them to help you find them again.

Canteen / somewhere to eat

ICT Rooms

Toilets

School Office / Reception

Your Form Room

Sports Hall
