Uniform Policy

UNIFORM

Uniform must be worn in school, to and from school and at any official function organised by the school e.g. when helping at open days, when attending presentation evenings.

A smart appearance is essential in creating our identity and sense of pride in our school community.

All students are expected to maintain a neat and tidy appearance at all times, e.g. shirts tucked in. Parental support is essential in ensuring that the standard of uniform is maintained at all times.

If you forget a piece of your uniform or arrive wearing the incorrect footwear, it will be recorded on the register and we will supply you with the relevant piece of clothing for you to wear throughout the day.

● NON-SCHOOL UNIFORM

● On occasions, students in the school are allowed to wear clothes other than the school uniform. This includes dress down days to raise money and awareness for charities, or as a form reward; or when on school trips.

● Whilst this allows students the opportunity to express themselves as individuals, it must be done so in an appropriate way. It is particularly important that any student's attire on these occasions recognises that the school is still a working environment, and further that student attire does not cause embarrassment or discomfort to staff, students and other members of the school community.

● The following guidelines are to be adhered to:

- ◆ Shorts, skirts and dresses, if worn, should be knee length;
- ◆ Shirts, t-shirts must have sleeves and cover the midriff.

● The following items are prohibited:

- ◆ See-through clothing, for example see-through blouses;
- ◆ Strapless or 'string-strapped' tops;
- ◆ Clothing which is revealing; for example, exposing bare midriffs;
- ◆ Caps and Hats (Indoors)
- ◆ Clothing which reveals underwear;
- ◆ Clothing with offensive logos; Offensive images, slogans or words
- ◆ Fish net tights;
- ◆ Extreme make-up.

● It is recognised that this dress code will not cover all issues that may arise. Students may seek to wear, for example, items which have not been covered by the above guidelines, but which are against the tenor of the dress code. In such a case, or given any issue of dispute, the final arbiter is the Headteacher or other senior member of staff.

● All students are expected to arrive at school wearing clothing in accordance with this dress code. Should they not do so, then they will either be sent home to change by the Headteacher or other senior member of staff, or be asked to wear appropriate attire from the uniform loan shop. Any student unable to adhere to this policy or go home will work in the RTL for the day.
